

Third Grade

Summer Homework Packet 2021

Dear Parents and Students,

Welcome to the Third Grade! This will be a very exciting school year! We have many fun and exciting things planned!

This summer, please begin to work on multiplication facts with your child. Knowing them will make the third grade math curriculum much easier. Please continue to use the IXL program.

Help your child create a **SUMMER COLLAGE**. Take pictures of all the fun things that you do with your child. Also, collect brochures, pamphlets, ticket stubs, maps and souvenirs from places that you visit. Place all of these items along with a paragraph about your summer on a small poster (12x18). Nothing larger please!

Please encourage your child to read every day during the summer. The Jackson Heights Library has a wide selection of books for you to borrow. The children's librarian is very helpful and knowledgeable. Please refer to the *Suggested Third Grade Reading List* for appropriate titles. Please continue to have children read on RAZ KIDS.

Please return the completed project and survey on the first day of school. All school supplies are due by the end of the first week. We wish you a safe and fun summer vacation!

Sincerely,
The Third Grade Teachers

Estimados Padres y Estudiantes,

¡Bienvenidos a tercer grado! Este será un año escolar muy emocionante.
¡Tenemos muchas cosas divertidas planeadas!

Este verano, por favor empiecen a estudiar y repasar los hechos de multiplicación con su hijo/a. Esto ayudará a que su hijo/a se acople al currículum de matemática de tercer grado. Por favor continúe utilizando el programa de IXL.

Les pedimos que ayuden a su hijo/a a crear un **COLLAGE DE VERANO**. Puede tomar fotos de actividades que hace con su hijo/a. También, pueden coleccionar folletos, boletos de entrada, mapas y recuerdos de lugares que visiten. Coloque todos estos artículos junto con un párrafo escrito por su hijo/a sobre su verano en un poster pequeño (12x18). ¡Que no sea más grande que esto por favor!

Por favor animen a sus hijos que lean todos los días durante el verano. La biblioteca de Jackson Heights tiene una selección amplia de libros que puede tomar prestado. Pueden utilizar la lista *Suggested Third Grade Reading List* para referencia sobre títulos apropiados.

Favor de retornar el proyecto completado en el primer día de escuela. Todos los útiles deben de ser entregados durante la primera semana de clases. ¡Les deseamos unas vacaciones de verano seguras y divertidas!

Atentamente,
Los maestros de tercer grado

See you on, September 13th, 2021!

Summer Math Practice

Please make sure that your child practices **addition, subtraction, and multiplication** facts this summer.
