Mely Moya	Present ▾ Parent Viewer/PAC alternate (remote)

Title I/PAC: We are ready to start the annual CEP review in April. Want to work on Mission Statement and School-Parent Compact (SPC). In the April meeting we will review our CEP and where we are with the goals and see what we want to work on for the following year.

ELA Sprint: Students were identified district wide by looking at iready MOY score- students one grade below or beginning of current grade. It's a program to help students achieve higher scores. Cost \$1,200. It's 2 after

school days for this program. We want children to complete 5 lessons a week. Students are doing 15 minutes a day or during class.

Mets Ya Gotta Read: It's going really well! Some parents have been messaging about prizes, but otherwise it's going well! We will check April 7 to see that everything is done fairly and correctly. Maybe next year we can try to use as a fundraiser. For tickets, we will get vouchers to send home where families can scan a qr code to redeem. Michael offered to help deliver prizes (maybe the week before spring break).

DOT Vision Zero: Coming to the school and doing lessons about street safety

Class Size Funding: Hopefully will get information on Monday

ELA Visit: Had a great visit yesterday

Adult Ed: We have an issue with this program. We have recently found pain medication and loose pills in desks. We found a graphic text. It has been escalated by Linda. Laura has made a plan with the principal of adult ed to take pictures before and after they leave, assigned seatings, switch the group that's in the room that has had these issues. A letter was given to the class that was approved by the superintendent for the families regarding the issues. Adult Ed will be at the April Safety Meeting. Supplies disappear. They will have to relocate the following year when we are closed for construction. Entire 4th Floor is used. **For next meeting: send list of schools that currently have adult ed**

Summer School: 1600 applicants. Application ends Friday.

Spring Show: May 28th

Field Day dates have not been confirmed

Science Expo is tomorrow!

PTA

April 11 Family Game Night

May 29 Multicultural Night- PTA will do the food part, we will be able to show off dance residencies, music, fashion show

NEXT MEETING:

Apr 29, 2025

HW: Look at Mission Statement and SPC to discuss for next meeting

For next meeting: send list of schools that currently have adult ed
